10/26/62 - 7am (Abel 171) at 7 am, after preparing for 8½ hrs work another day. The Jfk Kennedy says called the chartered "Marcule", of Lawrence registry that Panamanian ownership to have to. Previous talks w/ Capt with Shipp in direct cooperation. This 180 mi NE of Bermuda (Marks of 1615) on a hot - how a boundary party very abroad. By design, this was a "dry cargo" ship - Marcule scheduled as purely civil cargo. The Marcule sailed on a presumption by having been advised by persons to subvert. But work on missile sites continued in hotel (172) They were not home away from firing readiness (173)

Abel says because of this the "screw was turned" by State Dept. officers not reporting at work & JFKs months threat of "just be action" if Schrieg's later statement (173-4) confirming Soviet missile work, the Kennedy, with JFK acting as though thinking about he had the initiative, his wife Pierre was under the ground, for it past the pressure on him & his something (Ch worst. He was sitting tight. Meanwhile, as over be suspicion, the mounting war-like talk of US politicians & military figures turned the screw more - on JFK.

Meanwhile, RFK & Dobrynin JFK "could not hold off more than 2 days longer" (174)
